**Checks Stolen in
Burglary Cashed;
Suspects Sought**

Checks stolen from the office of Clark's Hardware Co., 21st street and Edwardsville road, in a burglary last April 14, have been cashed recently in various parts of Madison and St. Clair county and in St. Louis, resulting in identification of two of the check cashers, police reported here Tuesday.

George Teller, chief of detectives, said the checks which have been passed apparently were removed from two stolen checkbooks and made out with the company's check protector before police recovered the checkbooks and protector in the search of a house in the 1300 block of Meridian street on April 25.

He said checks have been passed in Alton, St. Louis, East St. Louis, Collinsville and with a firm located at Routes 66 and 111. None has yet turned up in Granite City, he said. The checks range from \$40 to \$90 in amount, Teller reported.

Teller said that victims of the phony checks have identified photographs of the passers and copies of these, along with descriptions of the suspects and replicas of the stolen checks, are being prepared by the Granite City police department for distribution to police throughout the Madison and St. Clair county area and to police departments in St. Louis and St. Louis county.

Information To FBI
He said similar information also was passed along to the FBI because cashing of bogus checks in Missouri constitutes an interstate violation.

Teller also said warrants will be issued for the persons identified as having cashed the checks.

Two checkbooks, each containing about 300 checks, a check protector and a bag containing about \$400 to \$500 worth of customers checks payable to the Clark firm were reported stolen in the April 14 burglary.

In the subsequent search of the Meridian avenue residence, occupied by a man whom police said has a long arrest record, police found the two checkbooks and the protector in the attic. Only one of the customers' checks, in the amount of \$500, was recovered, Teller said.

**Announcing Birth
Of Daughter**

Announcements have been received of the birth of a daughter, Jeanne Marie, to former residents of Madison, Mr. and Mrs. William Elliott, now residing at Lake Havasu, Ariz. The infant arrived April 21 and weighed eight pounds, seven ounces.

The couple has three other children, Billy, Ricky and Randy.

Drs. Theis, Rode Honored by TB Association

Dr. E. H. Theis, physician, and Dr. A. H. Rode, dentist, both of Granite City, were presented 25-year certificates as active members of the Madison County Tuberculosis Association during the organization's 31st annual dinner meeting Monday at the University Center of Southern Illinois University—Southwestern campus.

Other awards included a plaque presented to the Press-Record for publicizing the sale of the association's Christmas Seal. The plaque was accepted by A. J. Mueller jr., Press-Record general manager.

Special awards were presented to contributing industries, including A. O. Smith Corp. and Union Star & Refining Co., both of Granite City. C. E. Blankenship was on hand to accept the A. O. Smith award and Donald Parthey jr. accepted the Union Star plaque.

Two Quad-Cityans named to the board of directors were Ira E. King, 815 Jackson street, Madison, and Rev. John N. DiGiacomo, minister of the Mitchell United Presbyterian Church.

Guest speaker for the dinner was George M. Sluka, senior health education consultant, for the Tuberculosis Institute of Chicago and Cook county, who related experiences in Chicago's "skid row" trying to get derelict persons to get chest x-rays and treatment for those with TB in sanatoriums. He reported that 256 cases of active TB were treated in Cook county last year.

Earl E. Green of East Alton was re-elected president of the Association. Also re-elected were William H. Dorney, M.D., first vice-president; Mrs. Arnold Eickmann, Alhambra, second vice-president; David Simpson, Edwardsville, third vice-president; counsel: Warren Stookey, Wood River, secretary; and Joseph M. Schroeder, Alton, treasurer.

Besides King and Green, DiGiacomo, Ben C. Bono, Jr., East Alton; and Rev. Thomas P. Wright, Alton, were elected to the board. Directors re-elected to three-year terms were: Green, Mrs. Eickmann, Simpson, Schroeder, C. H. Decker, East Alton, and Emer E. Jennie, Edwardsville.

Besides Dr. Theis and Dr. Rode, the following were named to the executive committee: Homer W. Davitz, Alton; Mrs. James Gornall, Roxana; Thomas C. Hamlin, Highland, and Louis Ventura, medical director of Madison County Tuberculosis Sanatorium.

A 1966-67 Association financial report distributed at the meeting listed the following disbursements for the fiscal year ending March 31, 1967: health education, \$9718; case finding, \$21,150; administration, \$6723; seal sale, \$10,237; and research, \$400.

Contributions to the Christmas seal campaign ending March 31, 1967 totaled \$52,648.

Motorist Faces Charge

A charge of operating an auto with improper brakes was placed against Joseph Modrusis, 711 Lee avenue, after his auto crashed into the rear of the auto of Samuel Wolf of 21 Bermuda lane yesterday afternoon on 22nd street. Police said both cars were going east.

County Group Inspects Center

The seven-member Madison County Mental Health Society commission met here Tuesday evening to inspect the facilities and review the program of the Quad-City Center at 1243a Niedringhaus avenue.

The commission is headed by J. J. Gramlich of Highland, and local members are Edwin Reiske and Harry Johnson.

County Auditor John Kravak also was present and explained how the new mental health tax funds, voted last year in a county-wide referendum, will be handled and turned over to the commission.

The Quad-City Mental Health Center is expecting \$48,000 tax funds in July for a year's operation on a \$107,000 annual budget. The center also receives about \$32,000 from the state and has an income from fees.

An outline of the functions and operation of the local center was given by Jerry Stanton, executive director.

Gramlich appointed a commission-by-laws committee and said the commissioners will meet in the near future with County Clerk Eulalia Hotz, State's Atty. Leon Scroggins and Kravak.

Home from Hospital James O. Dykes, 1900a Delmar avenue, returned home Wednesday after a stay of more than three weeks at Barnes Hospital where he underwent treatment for a heart condition.

Industrial Growth Speakers May 19 To Include Kerner

Plans are complete for an industrial development seminar set for Friday, May 19, at the Communications Building, 511 SW. Gov. Otto Kerner, Cong. Melvin Price and SIO President Delroy W. Morris will take part in the program along with leaders of industry and labor.

Sponsored by Illinois Metro-East, Madison-St. Clair counties industrial development organization headed by Chester L. Baker of Granite City, the seminar will last from 9:30 a.m. to 2:45 p.m.

"Our purpose is to exchange information and ideas about the advantages of bringing new industry and assisting existing industries to expand," Baker commented.

"We believe that only through complete cooperation between leaders of business, industry, labor, government and education can this be accomplished. It is our hope that this seminar will broaden the unified effort to promote the tremendous potential of our area."

\$7000 Fire Damage To House Outside GC

Damage was estimated at \$7000 to a five-room frame home on Old Alton road, a block outside the city limits, when a blaze started as a bottled gas line to a stove was being disconnected yesterday morning.

Firemen from two Granite City fire companies answered the alarm at 8:15 a.m. and were on the scene 45 minutes. The loss estimated included \$4000 to the building and \$3000 to the contents. The report shows that the house was in the process of being sold and listed Clarence Norman as the owner and Leonard Hupebeck as the occupant.

Hospital to Add Off-Street Parking Spaces for 200 Cars

Authorization for expansion of off-street parking facilities in the 2000 and 2100 blocks of Iowa street where St. Elizabeth Hospital is razing old dwellings was given Monday afternoon by members of the Lay Advisory board.

With the added lots cleared, spaces for 200 cars are to be provided. It was the recommendation of the board's parking lot committee that the lots be graded and covered with slag initially for blacktopping at a later date. The estimated cost, including the razing of a dwelling in the 2000 block of Iowa street, was estimated at \$14,000.

"Austin Witter, board vice-president who presided in the absence of Joseph Gills, president, noted that when construction starts on the hospital's new wing, a parking lot at the rear of the hospital will be eliminated.

In other business, the board, meeting in the hospital library, heard a report on Project 80 in which the local hospital is one of 32 in Illinois in which a study is being made to determine how best needs for nurses at present

and through 1980. The study being made locally will aid in nationwide programming for the future.

Sister Mary Thomas, administrator, reported that local legislators have been asked to oppose a bill that would prohibit non-citizens to serve in hospitals as resident doctors for emergency rooms.

She pointed out that St. Elizabeth Hospital was instrumental two years ago in getting legislation approved to permit non-citizen physicians to fill the need for resident doctors for emergency rooms. It was reported that doctors in the Chicago area are supporting the new bill.

In reporting on the current \$10,000-\$15,000 fund campaign, Witter and C. E. Blankenship said more workers are needed in the general solicitation division.

Local PTA Delegates At State Convention

Several Granite Cityans are among more than 3000 men and women attending the 86th annual convention of the Illinois Congress of Parents and Teachers which started this morning at the Conrad Hilton Hotel, Chicago. The three-day meeting will end with a banquet Saturday night and a three-hour term as director of the speaker will be Mrs. Jenelle Moorhead, National PTA president.

Local delegates represent Na-

meeki, Maryville, Frohart and Marshall PTA units. Also participating is Mrs. Ida Handfeler of Granite City, who is completing a three-hour term as director of the speaker will be Mrs. Jenelle Moorhead, National PTA president.

Mrs. Danka Todoroff Dies in E. St. Louis

Mrs. Danka Todoroff, 75, of 1339 North 37th street, East St. Louis, died at 4:15 p.m. Tuesday at Christian Welfare Hospital, East St. Louis, where she was a patient for a week. She was in ill health for a year.

Born in Bulgaria, she resided in East St. Louis for 46 years. She was a member of Podkrepa and Holy Trinity Bulgarian Eastern Orthodox Church in Madison, Tex., and then participated in the Shrine parade last Saturday and performed Sunday at Kiel Opera House in the St. Louis Bach Festival.

Adults who served as chaperones during the Texas trip reviewed experiences for other parents attending Tuesday's meeting.

Bernard Shepard, association president, conducted the business session. Reports were given by Mrs. Charles Landis and Mrs. Gilbert Hall, who asked for photographs and other mementos for the association's scrapbook.

Members agreed to sponsor a concession stand at the July 4 celebration in Wilson Park. Shepherds announced the nominating committee will meet next Wednesday evening to prepare a slate of new officers to be voted on at the June 13 meeting.

Also planned for June 13 is a special program to welcome parents of band students who will enter high school next fall.

Nameoki Twp. Citizen Group Still Trying for Sewer Grant

The Nameoki Township Citizens Sewer committee decided Monday evening to continue to investigate a possible source of federal matching funds to construct a portion of the township's proposed sewer program through application to the Department of the Interior.

Committee members plan to start preparation of a project application for construction of a waste disposal facility after new information was presented during a meeting Monday evening in the township office.

James O. McDonald, Great Lakes Regional construction grants program director for the Interior Department, advised township officials that a possibility exists whereby 50% federal matching funds may be available for construction of a treatment plant facility. Preliminary estimates for this phase of the township's sewer project totaled \$500,000.

McDonald said in a letter that application for the federal money to build a waste disposal plant first must be submitted to the Illinois Water Pollution Control Agency for approval.

Earlier this year, the committee was advised by Housing and Urban Development authorities that matching federal funds were not available to the township for overall construction of the proposed sewer program, estimated to cost \$1,900,000.

It was agreed Monday to name a sub-committee to prepare the project application for a federal grant covering part of the cost of a treatment plant facility alone, with the application to be submitted to the Illinois agency barring legal obstacles.

McDonald said that many aspects reported in the original study are regarded as adaptable to a new sewer proposal.

Burglary Charges Filed Here Against Two Local Youths

Burglary charges were filed Monday against James R. Gubser, 19, of 1708 Lindell Blvd., and John D. Spangler, 18, of 2209 Delmar avenue.

They were arrested early Saturday after the Branding service station, Niedringhaus avenue and the railroad tracks, was broken into. Seat mats and shop towels were taken. The rear window was broken.

Both signed statements. Spangler said the two fled when they saw the headlights of a patrol car containing Patrolmen William D. Harris and Albert Young, who were responding to a call.

They found Spangler hiding in a railroad coal car, and Gubser was picked up at the home of a friend on Spruce street.

Spangler said he had run out of gasoline in the downtown area after attending the Shrine's street dance Friday night and did not plan the burglary until after he arrived at the station.

Both were released on \$5000 recognizance bonds and were bound over to the Madison county grand jury after waiving preliminary hearings.

Carpenters Building Construction Advances

The new building being constructed by the Carpenters district council is expected to be completed and occupied by Sept. 1, according to Eugene Ellberg of Local 633, council secretary-treasurer.

Construction is advancing rapidly, he said, noting that the brick work and trusses are up. There was one mishap yesterday as a crane hit a brick wall causing damage.

The 33x115-foot structure is located in the hands of a real estate agent for sale.

300 feet east of the Route intersection. It will serve 1400 carpenter union members in Madison, Bond, Jersey and Calhoun counties and parts of Macoupin and Greene counties.

The building will contain offices and a meeting hall. It will be staffed by four business agents and three office girls.

Ellberg also announced that the carpenters hall at 23rd street and Washington avenue has been placed in the hands of a real estate agent for sale.

Mother-Daughter Banquet is Held

The Dow Diamonds of the Dow Chemical Co. held the annual mother-daughter-friend banquet Tuesday evening at the Flaming Pot restaurant, Edwardsville.

The invocation was by Clara Dombach and the dinner was served at tables adorned with fresh geraniums and small pots of petunias which served as favors.

Entertainment was furnished by the Varsity Four, a barber shop quartet composed of Irl Clark, Don Kilbourne, Harold Iselhardt and Charles Sauer. Prizes were won by Nora Hlavach, Beverly Jones, Sallie Brewer, Opal Fogle, Ella Webb, Marti Hankins, Ruth Wals, Ruth Lamb, Hilda Lombardi, Helen Presley, and a special guest, Mrs. Fred Bender, who will celebrate her 93rd birthday this year.

Others present were Eve Leoman, Sophia Lasky, Marie Gnoth, Louise Scheibel, Cindy Jones, Mayola Brewer, Lorraine Iiams, Susan Trishul, Alice Fenton, Mary Lou Stone, Verneta Spemeyer, Helen Cullip, Thelma Cullip, Karen Hooper, Leona Lamb, Dawn Lamb, Rainie Harris, Linda Bilyeu, Clara Dombach, Helen Dombach, Linda Gilch, Betty Smallie, Nancy Edwards, Anna Mae Wetton, Loune Hartzel, Winnie Hooper, Mariana Stone, Donna Sturdivant, Celeste Sawyer, Marge Norwood, Alice Hill, Ann Gavilsky, Cora Hettich, Mary Hulst and Kay Deering.

MOTHER-DAUGHTER TEA BY BROWNIE TROOP 330. A mother- and daughter tea was held Monday afternoon for Brownie Troop 330, sponsored by Nidderhous PT. The mothers and Brownies formed a Brownie and Brownies.

Brownie gold was collected by Brenda Fanning, and the scouts pinned pink carnations on their mothers and two teachers, Miss Louise Desheimer and Mrs. Gladys Pape, who were guests. The girls performed a song and dance number.

Mrs. Mary Fryntzko and Mrs. Joyce Lawson, leaders, announced Brownie Fun Day has been postponed to May 20 at Wilson Park, and the troop fly-up ceremony will be held at Wilson Park May 21. The members presented their mothers and guests with handkerchiefs and cards prepared at an earlier meeting.

Refreshments were served by the troop committee, Mrs. Queenie Ellett, Mrs. Mary Elmore, Mrs. Delores Greer, Mrs. Rose Marie Culp, Celia Davis, Beverly Fanning, Betty Guay, Germa Watkins, Julia Jackovich, Shirley McCommis and son, Danny, Lynn Randall, Barbara Stantton, Anna Stacy, Janice Stout, Charlotte Thompson, Arthur Davis and guests, Mrs. Ruth Meyer, Miss Desheimer and Mrs. Delaioye. Mrs. Lipchik is the alternate.

Refreshments were served by Mrs. Stella Miller and Mrs. Frazier.

Nurses Alumnae Tea and Reunion. Forty-three members and guests attended the tea and reunion of the Nurses Alumnae Association of St. Elizabeth Hospital Tuesday evening.

The affair was given at the hospital by the Sisters of Divine Providence honoring the class of 1942. The members present were Mrs. Dorothy Reynolds Cruse, Edwardsville; Mrs. Edna Stallings Crews, Cahokia, Ill.; Mrs. Marie Johnson Rhodes, Ladue, Mo.; Mrs. Helen Wilkinson Gages, Granite City; Mrs. Laura Patton Jensen, Ballwin, Mo., and Mrs. Lela Signaigo Kawula, Granite City, all of whom received corsages from the Sisters.

The tea table featured a centerpiece of spring flowers, a gift to the nurses from Gamm's Shoe World, and tea and cookies were served by Sister Marce, Mrs. Martha Bischoff, Mrs. Georgia Hartan and Mrs. Jeanne Lucido.

The next Alumnae meeting will be June 20 at the Rose Bowl.

Cunningham to Speak at Mitchell Baseball Opener

Joe Cunningham, who played with the St. Louis Cardinals, Chicago White Sox and Washington Senators in the major leagues, will be the featured speaker at ceremonies kicking off the 1967 Mitchell Little League baseball season at 1:30 p.m. Saturday at Mitchell grade school.

Kahoks Oust Trojans From District Meet

The Madison Trojans lost to Bethalto 10-7 Tuesday in a rescheduled rain-out game after being eliminated in the opening round of the district baseball tournament 5-1 by the host team at Collinsville Monday.

The Trojans' nine-hit attack Tuesday was led by Greg Wasylak, who had two triples, a single and three RBI's. A senior, he leads the team with a .318 average, including five triples, two doubles and seven singles.

In the first inning the Trojans captured a 2-1 lead. But they fell behind when Bethalto added two runs in each of the second, third and fourth innings.

A sixth-inning rally by the Trojans brought them to within a run of tying the score, 7-6, but Bethalto tallied three more runs in the seventh.

Wasylak pitched two innings, fanning one and giving up two hits. Harold James pitched the last five innings, giving up six hits, fanning five and walking four.

At Collinsville, the Trojans managed their only run in the fifth inning when Bill Campbell, Wells and Dale Clinton all singled.

The Kahoks scored one run in each of the first, second and fifth innings and two in the seventh. Larry Wilkiewicz pitched the first three innings for the Trojans, fanning two, walking one and giving up two hits. Bunk finished the game, walking two, striking out one and allowing five hits.

Two hundred boys will be on hand for the ceremonies and a band, accompanied by a band, to the Mitchell ball diamond. Cunningham, who played professional baseball for 17 years, has a lifetime batting average of .299 and batted .345 while playing for the St. Louis Cardinals in 1959. After being released by the Cardinals in 1966, he was appointed athletic director of the Herbert Hoover Boys Club, St. Louis, a position he currently holds.

Page, Mitchell Little League director, urges parents of team members and all others interested to attend the ceremonies.

In another Red Division game, the Maryville Red Sox (0-1) play East St. Louis Polish-American (1-1) at Diamond No. 1, Olney Park, East St. Louis.

Two season records have been established as die-hard fishermen have continued wind and rain-raucous on Southern Illinois lakes.

An 89-pound bass caught April 20 in Little Grassy Lake was top fish for just five days.

Then the crown was passed to a Benton fisherman whose string of bass totalling 51 pounds was topped by a monster carefully weighed by Lois Intershen at the Little Grassy dock and weighed as an even nine pounds.

The big fellow fell victim to a twin spinner creation, as did all the others making up the 51-pound total.

Mrs. Nora Zebroski of Herrin set the other season record, bringing a 34-pound crappie to the Gresham Boat Dock at Lake of Egypt.

Crab Orchard Lake, churned by the succession of windy days, yielded bass and an occasional channel catfish to bank fishermen. There was little crappie or bass activity.

Of continued interest to fishermen who look longingly at their surface plugs and floating flies is the "slow down" advertisement implied by the list of lures that have been taking fish.

Almost every bass on the catch reports was taken on a deep run, lure or plastic worm fished on the bottom. So, the thrill of a smashing surface strike is yet to come.

Brand-new Carlyle Lake is entertaining fishermen, particularly in the tailwaters of the lake's impoundment. Bass, crappie and a walleye as well as so-called rough fish were mentioned in a recent catch report. And, at Mermet Lake near Metropolis, a fisherman did not mention his fishing luck but was pictured in the Metropolis newspaper for his prowess in dispatching a 50-inch cottonmouth moccasin.

Frank Yates, cane poling a new Horshoe, landed a seven-pound bass. Mermet Lake, near Metropolis, meanwhile, is yielding better catches and some bluegills.

Little Grassy Lake decorated some other stringers during the week. Gene Vest of Marion boated a six and a five on a deep running single spinner lure. Jack Burns of Belleville reported two

fourteen schools will compete for a chance to advance to state finals in the Illinois High School Association district golf tournament tomorrow and Saturday at the Tamarack course at O'Fallon.

The Granite City golf squad will enter seven players in the tournament, from which a winning team and two individuals who place first and second could advance to state golf finals at the University of Illinois, Champaign, May 19-20.

Teams besides the Warriors entered the district tournament are: Alton, Belleville East and West, Bethalto, Centralia, Collinsville, Assumption, Edwardsville, Lebanon, Marissa, O'Fallon, Westview of Trenton and Wood River.

Tee off time Friday will be 4 p.m. Semifinals get underway at 8 a.m. Saturday.

Fuchs, who plans to major in business and minor in physical education, will not be able to wrestle on the varsity squad until his second year at Purdue. He hopes to teach and coach after graduation from college.

District Golf Tournament Opens Friday

Fourteen schools will compete for a chance to advance to state finals in the Illinois High School Association district golf tournament tomorrow and Saturday at the Tamarack course at O'Fallon.

The Granite City golf squad will enter seven players in the tournament, from which a winning team and two individuals who place first and second could advance to state golf finals at the University of Illinois, Champaign, May 19-20.

Teams besides the Warriors entered the district tournament are: Alton, Belleville East and West, Bethalto, Centralia, Collinsville, Assumption, Edwardsville, Lebanon, Marissa, O'Fallon, Westview of Trenton and Wood River.

Tee off time Friday will be 4 p.m. Semifinals get underway at 8 a.m. Saturday.

Fuchs, who plans to major in business and minor in physical education, will not be able to wrestle on the varsity squad until his second year at Purdue. He hopes to teach and coach after graduation from college.

Bill Fuchs, the Warriors' 100-pound Illinois state champ, has signed to attend Purdue University under a four-year grant-in-aid, it was announced today.

Terms of the grant provide for payment of tuition, room and board, books and all normal fees.

Warrior Trackmen Edge Pioneers, Await District

The GCHS track team downed the Assumption Pioneers 63½-61½ on the Warrior track Tuesday.

First place Warriors included Bill Davis, 100-yard dash in 10.7 and 220-yard dash in 24.3, and Richard Hull, 880-yard run in 2:08.9. Keith Gauen was first in the long jump at 13 feet, 4½ inches, and Mike White won the discus throw at 133 feet, 7 inches.

Both the Warrior and Madison Trojan track teams, along with 31 other high school teams, have been assigned to the Alton district tournament opening tomorrow.

The Warriors have been "hot and cold" this season, mainly because of injuries sustained by star performers. Hurdler Dave Mullinax and Joe Pashea, a distance runner, will probably not

Kirchner Wins, Loses; Twinbill Here Sunday

Kirchner Hardware of Granite City lost 2-1 and then won 7-2 in a softball twinbill with the Merchants at Waterloo Tuesday night. Its season record is 3-1.

Jerry Suetten threw a four-hitter in the opener but Bill Evans' single and Rocky Doss' double in the first inning produced the only Kirchner run.

Bob Schofield then hurled a winning six-hitter, aided by Larry Williams' home run.

Doubleheaders are set for Alton at 7:30 p.m. Saturday against the Alton Merchants and for Wilson Park at 7:30 p.m. Sunday against the Wood River Marks.

The Warrior baseball team used nine hits to defeat Assumption 6-1 in its opening district game Tuesday at Collinsville.

The Warriors scored in the third and sixth innings and pushed across four runs in the seventh, the same inning Collinsville scored its run on an error.

Warriors Jeff Jones and Roger Belshé led in hitting with a single, triple and two RBIs each. Paul Kacera had two singles.

Roger Cookley singled, stole second and scored on a hit by Kacera in the third. Kacera led off the sixth with a single, Jones was safe on an error and Jim Stuart singled, driving in Kacera.

Don Rains, who pitched the entire game and gave up seven hits, walked one and fanned seven, led off the seventh inning with a single. Cookley went to bat on an error and Belshé beat out a bunt, with an accompanying bad throw to first enabling both Rains and Cookley to score and Belshé to reach third.

Kacera walked and Jeff Jones' triple brought in the last two runs.

Busby Bee, Clark, Ill. Power Win Last Night

Busby Bee Truck Stop beat Clark's Vikings smashed Branding Service 6-4 and Illinois Power Eagles edged Abel Auto 12-10 in Class C Slow Pitch softball at Wilson Park last night.

Bud Lucas tripled twice and singled, Paul Bennett doubled and singled and tripled to lead the Busby Bee hit parade. The loser's top hitters were Tony Gregus and Dave Ohendorf with a single and a double each. William Hofstad pitched for the winners, allowing 10 hits.

Tom Tindall's three hits and Jerry Barnett's triple led Clark's Kenny Fowler pitched for the Vikings and Leroy Jennings for the losers; each gave up eight hits.

Mike Schuette's four hits and Alan Emer's and Burt Simpson's two hits each led Illinois Power. Paul Thomas tripled and singled and Bob Vaughn singled twice, doubled and homered for the losers. Dean Allen won a 12-hitter.

Record Attendance at GC Steel's Shareholders Meeting

The largest number of shareholders in the 89-year history of Granite City Steel Co. was present in the main office building Tuesday afternoon for the annual meeting at which Nicholas P. Veeder, chairman of the board and president, announced the start-up in June of the new basic oxygen furnaces and in July for the new computer hot strip mill.

Veeder called for extra folding chairs as late comers arrived for the 2 p.m. meeting, and over 150 persons were present in the fifth floor cafeteria. Among the stockholders there to hear the reports and vote on directors were men and women in work clothes as well as well-dressed men, and women with fur coats.

In answering shareholders questions, Veeder said the pink smoke from the open hearth furnaces should end in late summer or early fall as the BOF operation should be in full swing then.

Building Inventory
He explained the firm is building its inventory to give quick service to customers and to cover the transition from old to new facilities as the three-year, multi-million dollar expansion, modernization program nears an end.

He noted that steel mills throughout the nation are concerned over the increase imports of steel. "Imports amounted to a million tons in 1957 and in-

REPORTING TO SHAREHOLDERS at this week's annual meeting is Nicholas P. Veeder (standing, center), president and board chairman of Granite City Steel Co. Others at the table, left to right, are—W. F. Hoelscher (standing), vice-president, secretary-treasurer; Lyle F. Guiley, executive vice-president; Veeder; John A. Leschen, vice-president, sales; and George B. Schierberg, chairman of the board's finance committee.

creased to 11 million in 1966, equivalent to 70-80,000 steelworkers jobs including related industries."

Exports dropped from 5½ million tons in 1957 to two million last year. Veeder said efforts are being made by the industry to have the U. S. government at least match duties levied by foreign countries on steel produced in this country and shipped abroad.

Foreign Advantages
He stressed that foreign steel firms have lower production costs both for equipment and manpower and pay less transportation costs for shipments to this country.

Veeder added that its two newest and largest facilities—the 2,200,000-ton-a-year basic oxygen furnace plant and the 105,000-hp computer-controlled hot strip mill "will eliminate production bottle-

necks and raise Granite City Steel to a new level of competitive strength and importance in the steel industry."

Granite City Steel presently is the largest steel company in the two-state metropolitan area and ranks 15th in the U. S. in tons of steel produced.

First in Nation
Granite City Steel will be the first steel company in the U. S. to both make all its steel by the new BOF process and roll all the slabs from that steel on one of the new computer-controlled 80-inch hot strip mills.

Presently, the thousands of separate units of equipment, instrumentation and control systems are being tested to avoid delay for the break-in period. "We are preparing men as well as machinery for these new facilities," Veeder added. "Supervisors on our steel-making

department have been trained in basic oxygen furnace operation. We have been assigning men to computer schools since early in 1966, and we also have adjusted our own training and educational programs to the advanced equipment controls in our facilities."

Veeder stated the firm's second quarter operation is expected to be similar to the first quarter of the year, and that while big steel users are not having a good year, there is an indication of a turn-around.

Directors re-elected by the shareholders are—Veeder; Kenton R. Cravens, St. Louis; Bertram B. Culver Jr., St. Louis; Aiken W. Fisher, Pittsburgh; Lyle F. Guiley; James F. Kieckhefer, Milwaukee; William Rodgers, Pittsburgh; Raymond E. Rowland, St. Louis; George B. Schierberg, St. Louis; and L. J. Sverdrup, St. Louis.

SOCIETY 330 Homemakers Hear How to Keep Happy

Bridal Shower For Miss Lorentz

Miss Barbara Lorentz was honored with a miscellaneous bridal shower this week in the home of Mrs. Marie Polley, 2531 Pontoon road, given by aunts of the prospective groom, Jeffrey Graville of Madison.

The basement of the home was decorated with the wedding bells of various sizes and pink streamers. The gift table was decorated in keeping with the theme, with a large painted picture of the bride-to-be in a frame of pink crepe paper.

In the center was a frame with two wedding bells and a picture of the prospective groom.

Miss Lorentz opened her gift with the assistance of her maid of honor, Miss Sandy Goodman, and bridesmaid, Miss Donna Milton, and the prospective groom's mother, Mrs. Hilda Graville.

Games were played, with prizes awarded. The buffet table was decorated in white, with bridal napkins and plates.

Those seated were Mrs. Charles Skinner, Mrs. Chester Kelly, Mrs. Michael DeYoung, Mrs. Charles Koese and daughter, Mrs. Sally Bosworth, Mrs. Marian Kelly, Mrs. Mary Woelke, Mrs. Helen Kutsky, Miss Barbara Kutsky, Mrs. Valerie Jo Grubway, Mrs. Mary Graville, Mrs. Evelyne Graville, Mrs. Robert Lorentz, Mrs. Gerie Lorentz, Mrs. Agnes Olesky, Mrs. Connie George, Mrs. Judy George, Mrs. Terry Papa, Mrs. Maryann Polley, Mrs. Amelia Preston, Mrs. Mary Dale Graville, Mrs. Lenna Williams, Mrs. Ann Enos, Miss Jan Enos, Mrs. Pat Abel, Miss Tracy Abel, Mrs. Julia Graville, Mrs. Marianne Graville and those named.

Clarissa Start, columnist with a St. Louis newspaper, presented a discussion on "The Many Lives of Most Women" to 330 members of 31 county homemakers units at the 31st annual achievement meeting Tuesday of the Madison County Homemakers Extension Association held at St. Elizabeth's Catholic Church.

Miss Start, in her presentation, said that "Women are happy regardless of what you read to the contrary. They are too busy not to be."

"In 1928, working women were single and 28, one out of five workers were women. Today working women are married and 41, one out of three workers are women. We tend to use all the time we save from conveniences to make other jobs more complicated."

"Women must be careful not to get so busy they lose the 'I' in us. We have never had a better opportunity to pursue a meaningful life. There has never been a better time to be a woman."

The theme for the day was "Spring is Busting Out All Over," and activities began at 10 a.m. The county president, Mrs. Fred Andrew sr., opened the morning program, and members were welcomed by Mrs. Edward Schilling Jr., South-west district chairman. Rev. L. J. Mattingly of St. Elizabeth's parish, gave the invocation, and group singing followed. Mrs. Mildred Dresch, county recreation chairman, introduced Mrs. Clyde Lebeque as song leader. Reports were given by Mrs. Leslie Malan, county secretary; Mrs. Edward Daves, of Granite City, second vice-president; and Mrs. Catherine Mauck, county adviser, who spoke on adult activities of Homemakers Extension. A report was given by Mrs. Mary Knecht, assistant home adviser, who discussed 4-H activities.

Those named to office following presentation of the slate by Mrs. Guy DeChia, chairman of the nominating committee, were Mrs. Robert O'Connor, Alton, second vice-president; Mrs. Alvin Woolridge, Edwardsville, treasurer; Mrs. Emerald Daves, international and citizenship chairman; Mrs. Adolph De-

C. of C. Offers Assistance To City for Problems Study

The Tri-Cities Chamber of Commerce board Tuesday evening approved a recommendation made by the Citizenship committee which offers the city's services to Granite City Mayor Donald Partney to function in the capacity of a human relations officer.

Introduced by Dale Arnette, Citizenship chairman, the recommendation also noted that the committee members indicate a willingness to serve in any area the mayor believes they can be helpful in resolving community problems.

Other action taken by Chamber directors at the monthly session, included endorsement of the state floodplain bill which recently gained approval in the Illinois General Assembly.

The bill now faces House action, and opposition to proposed formation of regional housing authority and replacing the present system of local control.

Clean-Up in Full Swing
The group, then chairman of the second annual "Clean up, Paint up, Fix up" campaign, announced that the Shriner's parade was voted a trophy as the most unique float.

The winning entry publicized the city's efforts in the community campaign, jointly sponsored through May 10 by the Chamber and local municipalities.

E. G. Schmitt invited directors to attend the Illinois Metro-East Industrial Development seminar June 19 at the SU-Wash center near Bear, Melvin Price, Arthur Koerper and Schmitt.

DISCUSSING AGRICULTURAL ECONOMICS

Business-Industry-Agriculture dinner Wednesday night, was left to right—Mrs. Warren Bundy and her husband, Madison county farm adviser; Mrs. Karl E. Gardner and her husband, associate dean of the college of agriculture at the University of Illinois; Howard W. Kaseberg, president of the sponsoring Tri-Cities Chamber of Commerce, and Mrs. Otto Morrison and her husband, chairman of the C. of C. agricultural committee.

Carl E. Mathias reported on a recent meeting of the East-West Agriculture Coordinating Council, at which time he was appointed to the council's transportation committee to study future transportation needs in the two-state metropolitan area.

Within the past month, five enquiries have been received from industrial concerns outside the area, Ralph Morris III, chairman of the Industrial Development committee, announced. Also reported was the continuation of meetings between the Chamber's Planning and Zoning committee and the executive director of the Metropolitan Area Planning Commission.

Problems being discussed during the sessions include upgrading of Granite City's zoning ordinance. Leo Kozmen spoke briefly about the group's May 8 sewer bond issue to gain voter approval and noted that areas the city is to receive major benefits from the program would heavily against the proposal.

C. E. Townsend reminded directors of the group's dedication ceremony marking the official opening of SU-Wash's new Communications Building. Members also were asked to make reservations for the Chamber's annual "play-day" event at Sunset Hill Country Club on May 23.

Arrangements co-chairmen are Arthur Koerper and Schmitt. The Margaret Lawless Circle of Calvary Baptist Church met Monday in the home of Mrs. Emily Hagopian, 26 Devon Hill lane, for the May meeting.

Mrs. Paula Linville led the program, with Mrs. Janice Stanton offering prayer. The lesson was "The Indignities of the Cross," and the hymn was "The Cross We Bear." Mrs. Patty Lynn, Mrs. Delphine Smith, Mrs. Ruth Hancock, Mrs. Uorina Smith and Mrs. Emily Hagopian.

Being a Christian, the group is invited to the sanctuary in Edgewood and help celebrate the birthday of two patients. The group is to help prepare salads for a church auxiliary banquet at the church May 18.

The hostess served refreshments and Mrs. Delphine Smith invited the group to her home on Route One June 19. During the summer, the circle will hold its meetings at the home of Mrs. Jean Thompson, 215 Pershing drive, St. Louis, Virginia Rainwater presiding.

225 at B-I-A Dinner

New and different markets are springing up in the field of agriculture. Dr. Karl E. Gardner, associate dean of the college of agriculture at the University of Illinois, told 225 persons at the 21st annual Business-Industry-Agriculture dinner Wednesday night, was left to right—Mrs. Warren Bundy and her husband, Madison county farm adviser; Mrs. Karl E. Gardner and her husband, associate dean of the college of agriculture at the University of Illinois; Howard W. Kaseberg, president of the sponsoring Tri-Cities Chamber of Commerce, and Mrs. Otto Morrison and her husband, chairman of the C. of C. agricultural committee.

Carl E. Mathias reported on a recent meeting of the East-West Agriculture Coordinating Council, at which time he was appointed to the council's transportation committee to study future transportation needs in the two-state metropolitan area.

Within the past month, five enquiries have been received from industrial concerns outside the area, Ralph Morris III, chairman of the Industrial Development committee, announced. Also reported was the continuation of meetings between the Chamber's Planning and Zoning committee and the executive director of the Metropolitan Area Planning Commission.

Problems being discussed during the sessions include upgrading of Granite City's zoning ordinance. Leo Kozmen spoke briefly about the group's May 8 sewer bond issue to gain voter approval and noted that areas the city is to receive major benefits from the program would heavily against the proposal.

C. E. Townsend reminded directors of the group's dedication ceremony marking the official opening of SU-Wash's new Communications Building. Members also were asked to make reservations for the Chamber's annual "play-day" event at Sunset Hill Country Club on May 23.

Arrangements co-chairmen are Arthur Koerper and Schmitt. The Margaret Lawless Circle of Calvary Baptist Church met Monday in the home of Mrs. Emily Hagopian, 26 Devon Hill lane, for the May meeting.

Mrs. Paula Linville led the program, with Mrs. Janice Stanton offering prayer. The lesson was "The Indignities of the Cross," and the hymn was "The Cross We Bear." Mrs. Patty Lynn, Mrs. Delphine Smith, Mrs. Ruth Hancock, Mrs. Uorina Smith and Mrs. Emily Hagopian.

Being a Christian, the group is invited to the sanctuary in Edgewood and help celebrate the birthday of two patients. The group is to help prepare salads for a church auxiliary banquet at the church May 18.

The hostess served refreshments and Mrs. Delphine Smith invited the group to her home on Route One June 19. During the summer, the circle will hold its meetings at the home of Mrs. Jean Thompson, 215 Pershing drive, St. Louis, Virginia Rainwater presiding.

Need for County Air Pollution Law Cited by Scroggins

The federal government will intervene to enforce air pollution controls if local agencies do not act, State's Atty. Leon Scroggins told the new air pollution committee of the Missouri county board of supervisors Monday night at Edwardsville.

He said proposed interstate compacts and Illinois state laws on air pollution cannot be effectively enforced in the county without local control.

Scroggins, who introduced an air pollution control ordinance at the April county board meeting, said that federal pressure is mounting to do something about the situation here. Having already conferred with authorities in Washington, he said he was told that he was the first public official from Illinois to ask the federal government for help in setting up an air pollution ordinance.

The state's attorney maintained that it would be preferable for the county to exercise controls rather than to have the federal government move in.

He also told the committee that the federal government would provide matching funds of \$2 or \$3 for \$1 to help finance operations of a county agency which could be used for employees, administration, expense and equipment.

SA Major Catches GC Driver after Mishap

Four charges were filed by Alton police this week against Homer D. Patterson, 31, of 1801 E. 1st St., who was caught by a Salvation Army major in a chase following an accident Sunday afternoon in Alton.

He was chased by auto and on foot by Maj. Howard Froberg of Alton. The local man was charged with intoxication, leaving the scene of an accident, reckless driving and driving on an expired driver's license.

Police said his auto struck one driven by Mrs. Mary Sesock of Wood River, forcing it into an other driven by Thomas Ellison of Cottage Hills. While police were being called, Patterson drove away.

Grand Jury to Hear Armed Robbery Case

Billy Lee Sullivan, 33, of Mounds, Ill., was bound over to the Madison county grand jury after he waived preliminary hearing Wednesday in magistrate's court on a charge of armed robbery.

He was arrested recently in connection with the \$2500 holdup of Upton Gardner, proprietor of Gardner's market, 2237 Illinois avenue, last Feb. 17.

Divorce Granted

A divorce was filed Wednesday in the Granite City division of circuit court for Adolphus Kennedy of Granite City from Betty Kennedy on a counter-complaint. They were married May 13, 1949, and separated prior to Nov. 5, 1963. Desertion was charged. Custody of five children was given to the mother, and the father was ordered to pay \$200 per month child support.

Driver Fined \$50, Costs

Charles W. Sherry, 716 Brown street, Venice, was fined \$50 plus \$5 costs Tuesday in magistrate's court on a charge of driving without a valid operator's license.

Herschel Taylor, 68, Found Dead at Home

Herschel Earl Taylor, 68, of 3128 Colgate place, was discovered by his wife hanging from an overhead door runner inside

his garage shortly before 7 p.m. Monday. A note attached to the garage door read, "do not enter, call police."

Police were summoned by a neighbor, Floyd T. Mitchell, 3132 Colgate place. Mr. Taylor was pronounced dead at the scene by Madison County Deputy Coroner

Alvin Cease, who tentatively fixed the time of death between 3 p.m. and 6:40 p.m. Monday. A plastic clothes line was used and a stepladder was situated near the body. An inquest is pending.

Mr. Taylor, a retired dental technician, had been riding with

a friend that afternoon, at which time he did not appear to be dependent. According to the police report, he was not under a physician's care. No other notes were found in the home.

A Granite City resident for 35 years, Mr. Taylor was born in Clay City, Ill. Prior to retire-

ment, he had operated a dental laboratory in East St. Louis. He had continued to do some dental work in his own home since retiring.

Mr. Taylor was a member of St. Peter United Church of Christ and Triple Masonic Lodge 877, AF&AM.

Surviving is his wife, Mrs. Laura (Petry) Taylor.

Funeral services were held at 10 a.m. today. Details are given in today's obituary column.

"The New LIGHTNING LOW PRICES Are Wonderful"

I absolutely love Top Value. I've been saving for years. This figure is just one of the many fine things Top Value has given me. I'm always satisfied at Kroger. The new lightning low prices are wonderful. I think we should have more of it. Anyone who lowers their prices is all right with me and Kroger has lowered theirs.

Man Stabbed in Chest In Spat with Wife

Harold Mcford Jr., 35, of 2700 Denver street, was stabbed in the lower chest at 4 a.m. Wednesday during an argument with his wife. He was admitted to St. Elizabeth Hospital.

Granite City police reported

that he had arrived home at about 3:45 a.m. and began quarreling with his wife, Ina, over her night clothes.

Police were told he made her take them off, then took them outside and burned them. Upon his return to the house, the argument continued until his wife took the ice pick and stabbed him. No charges were filed.

DIVERTICULOSIS IS VERY COMMON

Very briefly, Diverticulosis is a condition where outpouchings, similar to the blisters caused by "stone bruises" on automobile tires, swell out along the intestines. Often they cause no bother. Many people have them with no problem.

Sometimes one or more of them becomes irritated and inflamed. An infection results which requires prompt medical attention. This is called Diverticulitis. Constant pain, often accompanied by nausea, vomiting, chills and fever are among symptoms. For any intestinal discomfort not promptly relieved a physician should be consulted. We can fill his prescriptions.

YOUR DOCTOR CAN PHONE US when you need medicine. Pick up your prescription if shopping nearby. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Easter Seal Day Camp For Handicapped Planned

Camp Easter Seal, the day of the Easter Seal Auxiliary. Director of the camp this year will be William J. Adams, Godfrey, who is employed by the Alton school system. Brothers of the Obate Novate of Godfrey will assist him.

Anyone having a child who is eligible for the Easter Seal day camp may obtain application, medical forms and further information from the Easter Seal Center, Sixth and Alby streets, Alton.

On Friday, June 16, there will be a special evening, featuring singing and entertainment by counselors and campers, with families of campers invited.

The camp is co-sponsored by the Junior Service League of Alton, and the Madison County Dr. George Wilkins and Mrs. Easter Seal Society, assisted by

Conducting Search and Destroy Operations

Army Sp. 4 John A. Kromray, 21, son of Mr. and Mrs. Stanley A. Kromray, 2810 Sunset drive, is participating in "Operation Francis Marion" in Vietnam with his unit of the 4th Infantry Division.

Kromray, assigned to the Administration Section, 1st Brigade of the division, and other members of his unit are conducting search and destroy operations in the Viet Cong-infested Central Highlands. The operation, which began early this month, is named for the famed "Swamp Fox" of the American Revolution.

Canal Freight Continues Steady Increase

Freight totaling 3,702,598 tons passing through the Chain of Rocks Canal during April was an increase of 297,311 tons over the March shipments of 3,405,285 tons and a rise of 111,709 tons over the traffic of April 1966, according to a report by the U.S. Corps of Army Engineers.

The report shows that April shipments upriver totaled 1,674,848 tons, while downriver freight aggregated 1,727,750 tons. All of it was commercial freight. Largest downriver shipment was of grain, totaling 1,228,050 tons, while coal was the biggest upriver shipment, totaling 567,750 tons.

A total of 4918 vessels of all types passed through the locks during the past month, requiring a total of 880 lockages. In

March, a total of 4611 vessels passed through the locks in 760 lockages.

Barge Traffic Up

Vessels passing through the locks included 945 tow boats, 16 small craft, nine passenger boats, 325 barges and 49 private recreation boats; one government tow boat, 64 government barges, two government small craft and seven patrol boats.

April's freight tonnage resulted in a continued increase in use of the locks, increasing to 12,158,631 tons the total amount of freight passing up and down river during the first four months of this year. At the same time last year, shipments passing through the canal during the first four months amounted to 11,275,874.

The total number of vessels passing through the canal this far this year by the end of April was 16,732, compared to 15,372

during the same period last year. Lockages during the first four months of the year totaled 3124, compared to 2590 at the same time a year ago.

List Freight Shipments

April freight shipments included: petroleum products, 556,000 tons upriver and 313,850 downriver; grain, 13,550 tons up and 1,228,050 tons down; coal, 567,750 up and nine down; cement, sand and gravel, 5100 up and 21,850 down; sulphur, 52,200 up and nine down; miscellaneous commodities, 470,596 up and 35,300 down; iron and steel products, 55,300 up and 104,300 down; chemicals, 254,300 up and 23,400 down; totals, 1,574,848 up and 1,727,750 down.

Traffic through the canal last month increased to 3454 the total number of towboats using the locks during the first four months of the year, compared to 3196 during the same four-month period of 1966.

Venice Fine, License Revenue Hits \$15,033

The city of Venice collected a total of \$15,033 in license fees and criminal fines during the fiscal year ending April 30, according to a report by City Comptroller Carl Byrnes.

Bulk of the income came from sale of 1050 city auto licenses for a total of \$15,033, sale of 13 Class A tavern licenses for a total of \$3350 and fines of \$5035 in fines as the result of arrests by the police department.

Other license income included \$500 from sale of two Class B tavern licenses and \$225 from the sale of three Class C tavern licenses. \$520 from sale of 52 city truck delivery licenses, \$1785 for 119 truck licenses, \$140 for seven beer truck licenses, \$980 from 12 soda truck licenses, \$50 from one advertising license, \$50 from two peddler's licenses, \$50 from five pool table licenses and \$18 from 18 dog licenses.

Parking Lot Accident

An auto driven by Robert T. Mullenbach, Alton, backed from a parking space and struck the right side of an auto driven by Helen G. Wilson, 1609 Wilson avenue, Monday afternoon on the Belleme Village shopping center parking lot.

Spinner Hubcaps Stolen

Sandra Dufraim, 1721 Venice avenue, reported at 3:30 p.m. Monday that two spinner hubcaps were stolen from her 1966 auto while it was on the Granite City high school parking lot. The value was set at \$50.

TV Set Left in Street

A television set was dumped on the street in front of 2670 Edwards street, it was reported to police at 4 a.m. Tuesday. Investigating patrolmen advised that the set was "just junk." A note was left for the street department to pick it up.

Venice Operating Costs Up in Past Year

Although the city of Venice enforced economies in most major city departments, total expenditures during the 1966-67 fiscal year just ended amounted to \$308,025, or \$85,046 more than overall disbursements of \$222,979 in the previous year, according to a report by City Treasurer Bernard Anderson.

At the same time, however, the city had total available income of \$534,470, an increase of \$63,835 over available operating funds of the 1965-66 year.

Available operating income for the past year, which ended April 30, included \$282,028 in tax receipts and \$183,000 in borrowed money. The rest came from licenses, sales taxes and miscellaneous income.

During the 1966-67 year, the city cut expenditures in the street department, police department, for collection of garbage and in many of the smaller operational units of the city government.

Much of the higher costs were due to increased borrowing. The \$183,000 borrowed includes \$95,000 which was transferred into the general fund from the McKinley Bridge revenue fund and additional money borrowed from the working cash fund.

Transfers of these funds also are shown as disbursements and therefore increase the amount of listed expenditures. Fund transfers shown as expenditures for the past year total \$151,000, compared to a figure of \$40,000 for the same purpose the previous year. This figure alone accounts for all of the expenditure increase of the past year, but it absorbs most of the reductions effected in the major city departments.

While the city had anticipated a sharp drop in tax revenue during its past year because of limited tax rate application early in 1966, its tax income during the 1966-67 year totaled \$282,028, or only \$17,967 less than the previous year's collections.

In addition, most of this reduction was shown in settlement of tax objections from prior years and not in the collection of current taxes.

During the year just ended, the city received \$274,432 in corporate taxes collected during 1966, or only \$7,587 less than its corporate tax income of \$282,029 the previous year.

Settlement of old tax objections produced only \$1639 last year, compared to \$12,022 the previous year. The city's share of the township's road and bridge tax last year was \$2087, compared to \$3926 in the 1965-66 year.

Other income received by Venice last year included \$3035 in fines from criminal cases, \$3975 from tavern licenses, \$2705 in city auto licenses, \$15,423 in

truck delivery licenses, \$3150 in sales tax refunds, \$3908 in motor fuel tax refunds, and minor miscellaneous receipts.

Cut Operating Costs

Sharpest reduction in operating costs during the year was effected by the city street department, which ended the year with total disbursements of \$37,685. For the 1965-66 year, total operating cost of the street department was \$52,310.

The police department operated during the year at a cost of \$99,315, down \$2628 from the \$101,943 of the previous year. Cost of collection of garbage last year was \$31,218, down from the previous year's cost of \$32,463, while expenditures of city officials totaled \$30,855, down from \$33,379 the previous year.

Operation of the fire department showed the only increase in any major city department. Total cost of the fire department was \$31,187, compared to \$27,494 the previous year.

Other expenditures during the year just ended, compared to those of the 1965-66 year, included: library fund, \$18,927 (\$15,903); police pension funds, \$24,381 (\$27,057); working cash fund, \$10,881 (\$16,473); and Illinois municipal retirement fund, \$11,432 (\$11,119).

The report shows the city had a balance of \$50,555 at the beginning of the fiscal year May 1, 1966.

Similar interview periods also are scheduled throughout the metropolitan area from Monday through Friday. Interviewers will be present here from 9 a.m.

Candidates for Joliet Guard Posts Sought

Interviewers of the Illinois Department of Public Safety will be at the Illinois State Employment Service office, 2060 Iowa street, next Wednesday to recruit candidates for appointment to guard posts at Joliet penitentiary.

Interviewers will be present here from 9 a.m.

until 2 p.m. Wednesday, during the same hours in East St. Louis, on Monday and Friday and in Belleville on Tuesday and in Alton on Thursday.

Guard candidates must be at least 21 years of age, in good health and have no criminal arrest record. When appointed they will be assigned to staff positions which start at \$4800 per year and run to \$6180. Guard assignments are on a 40-hour week with extensive fringe benefits.

Mrs. Sally Minks, 71, Dies; Former Resident

Mrs. Sally Mae Minks, 71, of Rural Route One, Ellinsore, Mo., a former Madison resident, died at 1:30 p.m. Monday, at St. Mary's Hospital, Poplar Bluff, Mo., where she was admitted just five hours earlier. Although in poor health with diabetes, her death was attributed to an apparent heart attack.

A native Missourian, Mrs. Minks resided for more than 25 years in Madison prior to moving to a farm near Ellinsore in 1944. Her husband, William F. Minks, who survives, retired from farming several years ago. Mrs. Minks was a member of the Assembly of God Church in Ellinsore.

Besides her husband, also surviving are one son, William F. Minks of Granite City; a daughter, Mrs. James (Wilma) Bradford of Collinsville; one sister, Mrs. Charles D. (Hazel) Brooks of Granite City; four grandchildren and one great-grandchild.

Funeral services were held at 1 p.m. today. Details are given in today's obituary column.

Mrs. Todoroff Given Award at Army Depot

Mrs. Helen A. Todoroff, 3120 Colgate place, an employee of the Fifth Mobility Service Office at the Granite City Army Depot, was awarded a quality step increase in appreciation of her high quality performance of duties, it was announced Tuesday.

Presentation of the award was made by Idus H. Price, chief of the Fifth Mobility Service office, who represented Brig. Gen. Edwin I. Donley, commanding general of the U. S. Army Mobility Equipment Command, St. Louis.

Services at Edwardsville For Clarence Hayes, 59

Funeral services were held yesterday at Mt. Joy Baptist Church, Edwardsville, for Clarence M. Hayes, 59, of 242 West Union street, Edwardsville, who died Saturday following a stroke at St. Mary's Hospital, East St. Louis. For the past several years he had been employed as a hockcarrier at Granite City Steel Co.

Among the survivors are his wife, Mrs. Hattie Hayes, two sons, four daughters and 14 grandchildren. Mr. Hayes was a member of Hockcarriers Local 179 and Mt. Zion Baptist Church of Collinsville.

Morris Completes Army Administration Course

Army Pvt. Donald R. Morris, 19, son of Mrs. Kathryn I. Morris, 3003 Kirkpatrick Homes, has completed an eight-week administration course at Fort Ord, Calif. He was trained in the preparation of military records and forms.

Instruction also was given in fundamentals of the Army filing system, typing and operation of office machines. His father, LeRoy, lives in Granite City and his wife, Sharon, resides in East St. Louis.

Madison Driver Arrested

Mike E. Kamadulski, 800 Lee avenue, Madison, was issued an arrest ticket Monday at Johnson and Nameoki roads on a charge of having no stop or signal lights on his trailer.

Four Hubcaps Stolen

Joseph Simpson, 2804 North street, reported at 8:30 a.m. Tuesday that four hubcaps were stolen from his 1963 auto on the North plant parking lot of Granite City Steel Co.

SAVINGS BOND SPEAKER Col. Charles E. Hoskin III, commanding officer, Granite City Army Depot, kicking off the Depot's 1967 bond drive. At the extreme right is Mrs. Pauline Weir, Depot savings bond officer.

Savings Bond Drive Launched At Army Depot

The Granite City Army Depot 1967 savings bond drive is under way as Col. Charles E. Hoskin III, commanding officer, and Mrs. Pauline Weir, Depot savings bonds officer, announced this week after a meeting with division and directorate savings bond salesmen to outline this year's campaign.

Kicking off the campaign, Col. Hoskin said, "I believe that the dollars invested in bonds have a three-fold mission. First, they buy the necessary equipment for the defense of our nation. Second, they fight inflation—a ruthless enemy at home. And third, they are your savings and my savings for tomorrow—savings for our families to enjoy the freedom these dollars help to deserve."

In distributing drive material, Mrs. Weir said an added incentive this year is the new U. S. savings note, to be known as the "Freedom Share," that pays 4.75% interest when held to maturity (4 1/2 years from date of issue).

"Freedom Shares" can be sold only in combination with Series "E" bonds of the same or larger denomination, and must be purchased through the payroll savings plan.

The bond drive will be conducted during May, and each employee will be contacted and given an opportunity to enroll in the "Share For Freedom" plan.

Venice Collects \$5035 Fines in 480 Arrests

The Venice police department made a total of 480 arrests from April 1, 1966, to March 30 of this year, according to a report submitted by Chief of Police Frank DeWitt.

Court cases resulting from the arrests resulted in payment of \$5035 in fines to the city of Venice. Largest amount for any single month was received for November, when police arrested 40 persons and fine payments amounted to \$865. In September, fine payments totaled \$775 as the result of 42 arrests.

A total of 48 arrests in October resulted in fine payments totaling \$470, and in March this year 38 arrests brought in fines to \$745.

Other arrests and fine payments during the year included: April 1966, 28 arrests, \$235; May, 33 and \$170; June, 29 and \$295; July, 61 and \$180; August, 54 and \$225; December, 32 and \$395; January 1967, 42 arrests and \$85; and February, 33 and \$335.

License Revocation, 5 Suspensions Here

A driver's license revocation and five suspensions were ruled this week for Quad-City area motorists at the office of Secretary of State Paul Powell at Springfield.

The revocation was for Joy A. Hall, 2219 East 23rd street, for reason of giving incorrect information on an application for a license. Powell's office reported. The suspensions for reason of three violations were for Kenneth E. Chiers, 2901 Roosevelt street; John W. Hoffman, 1322 Granite avenue; Michael H. Kondrich, 2433 Adams street; Ann K. Magyar, 2125 Manley avenue; and Daniel W. Robertson, 612 East Chain of Rocks road.

Overtime Earnings Data Sought in Survey Here

Questions about overtime work and earnings as well as about under-employment will be asked of local households by Bureau of the Census interviewers the week of May 14, Director Theodore F. Olson of the regional office in Chicago announced today. The information obtained through this supplement will provide data on the under-employed in addition to the usual monthly figures on total employment and unemployment. This information is collected through the Bureau's regular monthly Current Population Survey for the U. S. Department of Labor's Bureau of Labor Statistics.

The identity of the households questioned will be kept completely confidential, and the facts obtained will be used only for statistical purposes. The same questions will be asked of all households in the survey throughout the U. S.

Drive the cost of living down, without giving up all this.

Chevrolet's room, ride and price. When Automotive News made its annual roominess study, Chevrolet got the most points. It's roomier inside, they reported, than any other American car. The ride is Full Coil suspension smooth. And Chevrolet handtops and convertibles are smooth. **Chevrolet's quick size.** It's quick to climb, quick to turn. Other mid-size cars might be like Chevrolet, true. But they're not as low priced. And they're not made by Chevrolet. Chevrolet with Body by Fisher, GM-developed energy-absorbing steering column, inner fenders and Full Coil suspension. Camaro is the only sportster to give you wide-stance design. It rides steadier, clings to curves better, hugs the road closer. It's the roomiest car you can buy. Plus, you get a bigger standard engine.

Flutist to be Featured
At Concert at SIU-SW

The chamber orchestra at the Southern Illinois University—Southwestern campus will feature French flutist Michel Debot in his concert at 8:15 p.m. Friday in the communications building theater.

Conducted by Prof. John Kendall of the fine arts division, the orchestra will play the eight-movement "Suite No. 2 in B Minor for Flute and Strings" by Bach, "Night Soliloquy for Flute, Piano and Strings" by Kent Kennan, and Stravinsky's "Pulcinella Suite" in seven movements. The program is open to the public without charge. No tickets are needed.

An artist-in-residence at the local campus this quarter, Debot is making his first American appearance after concertizing extensively in Europe and Japan.

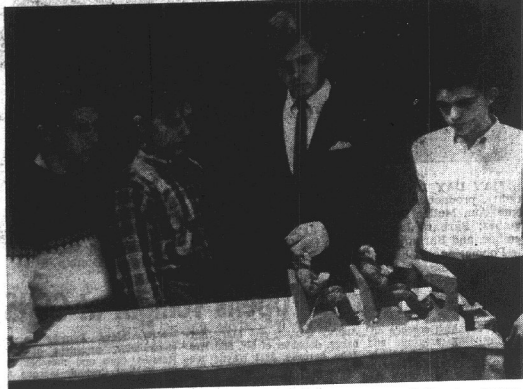

Kaseberg Wins ROTC
Award at Westminster

William G. Kaseberg, the son of Mr. and Mrs. Howard W. Kaseberg, Rural Route One, has received the Sons of the American Revolution medal in ROTC at Westminster College, Fulton, Mo.

The award is presented yearly to the third-year ROTC cadet who demonstrated the greatest development of leadership qualities during the year, excellence in bearing and proficiency in military subjects.

Kaseberg, a junior, is majoring in biology at Westminster, a four-year men's liberal arts college founded in 1821. He holds the rank of cadet first lieutenant.

IMPACT SLED dramatizes the importance of wearing seat belts at a demonstration for Central junior high school this week. The students are, left to right—Kenneth Spalinger, Sam Wright and Richard Kerr. The lecturer representing General Motors which sponsored the program is David Dakshaw of Detroit.

Seat Belt Use Stressed
For Students at Central

A simulated auto crash dramatized for Central junior high school students the importance of wearing seat belts.

The demonstration was presented as part of General Motors traveling science show, Previews of Progress on Monday.

The "crash" was made with a model of the impact sled used to duplicate auto crashes. The sled, in operation since 1962, enables safety engineers to set up almost any type of collision situation and repeat it under controlled laboratory conditions.

A four-year study by a University of Michigan medical team indicates that the use of seat belts could reduce the number of fatalities resulting from auto crashes by as much as 40%.

Four Freshmen Featured
Friday Night at Campus

The Four Freshmen, whose record sales are nearing the two million mark, will be heard at 8 p.m. Friday in the Edwardsville high school gym under the auspices of the Center Board of Southern Illinois University—Southwestern campus.

Organized in 1948 under the name of The Toppers, the four singers achieved stardom in 1952 after a name change and a Capitol recording of "It's a Blue World." All four of the singers are also accomplished musicians.

\$75,535 Federal Grant
Received by Eastern

Eastern Illinois University has received a Federal grant of \$75,535 in connection with the College Work-Study program authorized by the Economic Opportunity Act of 1964.

The grant, covering the period from July 1-Dec. 31, involves both on-campus and off-campus projects. In the latter category are students who will assist in the Charleston summer recreational program, a Lawrence county highway program, a dietetics program at Charleston hospital, and the Urban Corps project in New York City.

More Agriculture Jobs
Available to Graduates

More jobs and higher salaries are in the picture for 1967 university agriculture graduates, according to an Iowa survey of 14 midwest institutions, says Eugene Wood, assistant dean of the Southern Illinois University school of agriculture, Carbondale.

A general starting salary increase of about seven per cent is indicated for 1967. Continued strong demand for graduates in sales and management jobs in business and industry contributed most to the salary increases. Along with sales and management, food science and vocational agriculture teaching positions in high schools continue to present many opportunities.

Graduating students completed have nearly an unlimited number of job opportunities in some areas. The strongest demand for students with master's or doctoral degrees appears to be in the field of agricultural economics, food science, university teaching and research.

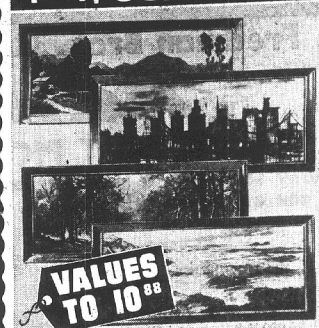

Nighohossian Receives
Honors at MacMurray

Haig Nighohossian was named the 1966 leadership honor organization of MacMurray College last Thursday. He was tapped for "Order of the Tartan" at the annual Achievement Chapel.

The junior chemistry major is the son of Mr. and Mrs. Samuel Nighohossian, 1723 Chestnut street. He was recently elected president of the Men's Student Association.

Nighohossian, and other members of the Order of the Tartan, are men who have contributed most to advancing the ideals of the Men's College, and who have cumulative grade point averages of at least .60 above the all-school men's average.

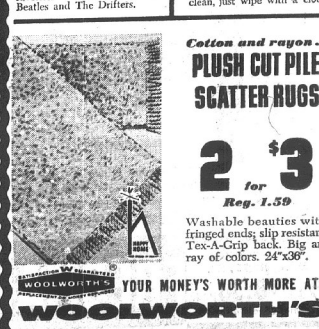

A former residence hall president, Nighohossian has lettered three years in varsity soccer at MacMurray.

Archie Carney, 72, Found Dead in Chair

Archie Douglas Carney, 72, of 2200 State street, was pronounced dead at 8:45 p.m. Monday by Deputy Coroner Robert Thomas, a short time after he was found sitting in a rocking chair in his room by his landlady, Mrs. Nora Roberts. An inquiry is pending. Thomas said the man had died six or eight hours earlier. According to police, there was no evidence of foul play. He had complained of having chest pains, but had not been under a doctor's care.

A veteran of world war I, Mr. Carney had lived in the local area for 27 years. He was born in Dover, Tenn., where he was a member of the Presbyterian Church. Before retiring he was employed at General Steel Industries. Surviving are five sisters, Mrs. Vangie Cherry of Granite City, Mrs. Callie Tift of Paris, Tenn., Mrs. Pearl Hester, Mrs. Mentie Fitzhugh and Mrs. Naomi Lane, all of Dover, Tenn.; and three brothers, Porter, John and Frank Carney, all of Clarksville, Tenn. Funeral arrangements were pending in Dover, Tenn., today. Other details are given elsewhere in this issue.

Amvets Post 51 Gets Compliment from LBJ

President Lyndon B. Johnson has acknowledged by letter a Press-Record story recently forwarded him by Steve Konkovich of Amvets Post 51. The article recounted a speech made April 19 by National Amvets Commander Leo Anderson during a reception at the Amvets Post Home, 3100 Lakeview drive. In his letter to Konkovich, the President stated: "It was kind of you to send me the most encouraging report of Commander Anderson's visit with you."

"I am deeply grateful for the strength of your support during our patient and determined struggle to repel aggression in Vietnam. Each of our fighting men and their families have caused to share in any appreciation of your vital contribution to the cause of freedom and peace."

Sincerely, Lyndon B. Johnson. Konkovich said that copies of the President's letter will be sent to the national Amvets officers. He added, however, the original will have a place of honor in the post's scrap book.

Surprise Shower For Miss Bischoff

The Nameoki Methodist Church was the scene of a surprise bridal shower this week commemorating Miss Carol Bischoff who is to be married to Roger Russell.

Hostesses were Mrs. Nancy Leach, Mrs. Margaret Kaltmayer, Mrs. Pamela York and Mrs. Sally Basarich who are to serve as bridesmaids at the wedding.

Yellow and green, the wedding colors, predominated in the appointments. The tea table was centered with a circle of yellow mums and tapers on a green cloth, and the gift table was decorated with bride dolls, bells and yellow streamers.

Games were played and prizes were won by Mrs. Thelma Chapman, Mrs. Virginia Carroll, Mrs. Dorothy Luckert, Mrs. Mayne West and Miss Sue Carroll.

Others present were Mrs. Helen Bischoff, mother of the bride-to-be, Mrs. Gladys Russell, the mother of the bridegroom-elect, and Mesdames Mary Bailey, Bernice Kaltmayer, Georgia Compton, Bobbie Sykes, Betty Romann, Dolores Allen, Wayne Mosby, Lucille Russell, Mary Hankins, Elizabeth Allen, Dorothy Rose, Marilyn Hasty, Esther Langolf, Ethel Reed, Alta Stewart, Bernice Williams, Dorothy Allen, Ida Mason, Charlene Voss, Rebecca Slate, Esther Buske, Margaret Harrison, Cooke Adamitis, Carol Soehnil, Carol Delagay, Sally Basarich, Betty Milwee, and Misses Nancy Ahorn, Karen Wheeler, Mary Allen Steinhauer, Charlene Alkinson, Pat Young, Cheryl Weston, Dana York and Susie Basarich.

The wedding of Miss Bischoff and Mr. Russell will take place June 3 at Nameoki Methodist Church.

Mr. Russell will take place June 3 at Nameoki Methodist Church.

Due to weather conditions, a picnic which had been planned for Wilson Park by Chapter HT of the P.E.O. Sisterhood took place instead in the home of the president, Mrs. Harold Fischer, on Madison avenue, Monday afternoon.

Twelve were present for the luncheon and a short business session. Mrs. George Marshman reported on a meeting of the Metro-East Round Table in East St. Louis recently and announced that Chapter HT would be responsible for a training day.

The next meeting will be May 29 in the home of Mrs. Richard Kerch, when Mrs. Fischer will report on the P.E.O. convention which she is attending this week in Chicago.

Yellow and white daisies decorated the lodge room, and the tables at which the guests were served. Games were played and the attendance award went to Frances Seiner.

Miss Murgie will be married June 10 to Walter Warfield.

Miss Cathy Murgie, a daughter of Mrs. Murgie of Lincoln avenue, who is to be June bride, was guest of honor this week at a pre-wedding party and shower given by her sisters.

Mrs. Douglas Stokely of Chicago and Mrs. Marilyn Nichols at the Moose Hall. About 45 guests attended.

The couple are parents of three children, Mrs. William (Virginia) Oht of Keosauqua, Wash.; Richard of Evansville, Ind.; and Robert. The latter died in 1964. Role of Hospital in Community Explained

St. Elizabeth Hospital is a "City of Care" staffed 24 hours a day, seven days a week to protect and restore health in much the same manner that the police and fire department of a city work around-the-clock to protect lives and property. It was noted today by Sister Mary Thomas, administrator, as the observance of Hospital Week continues.

"Hospitals as cities of care deal in services — person-to-person services. Within their walls are gathered many people with a diversity of education and skills. Hand-in-hand with the revolutionary advancement of hospital care over the past 20 years has been the need to support the new techniques, procedures, and equipment with more and better trained personnel," Sister M. Thomas continued. The more numerous and the more sophisticated the techniques, procedures, and equip-

ment, the more sophisticated must be the training of the personnel who administer them. The public demands and is receiving more and more of these ever-growing, ever-expanding services. For example, the number of patients cared for in our emergency room has almost doubled in the past 10 years. Nationally, in 1945 there were 27.2 million visits to hospital outpatient departments. By 1965 these visits had increased to a total of 95.4 million, an increase of 249%, she added.

"In industry, the addition of more advanced techniques, procedures and equipment is often associated with a reduction of personnel. The very opposite is true in hospitals. Most of the advancements in hospital care over the past 20 years have required more personnel, not less personnel. Unlike industry the trend towards the substitution of automation for labor has had little effect on hospitals. This is

why hospital costs have risen higher than those of industry." But more than ever before — hospitals must compete with industry for highly trained, highly skilled and highly educated people, the administrator explained.

Competitive wages and salaries are the key to attracting these technicians and professionals to a hospital — and retaining them. With the recent advances in wages and salaries for hospital personnel in all sections of the country, the hospital employee is catching up with his counterpart in industry. This "catching up" process will be reflected in the hospital costs of the immediate future.

"Nonetheless, taking into account the revolutionary strides in hospital care over the past 20 years, it is not likely that any of us would want to receive 1947 prices!" Sister M. Thomas concluded.

REV. RIKER A. SIMCOE

Evangelistic Weekend At Central Methodist

Central Free Methodist Church, 22nd and State streets, will feature an "Evangelistic Weekend" May 12-14. Services will be held at 7:30 each evening and at 10:30 a.m. Sunday.

The evangelist will be Rev. Riker A. Simcoe, director of Church Relations for Greenville College, Greenville, Ill., who joined the staff in July 1964 after 18 years of pastoral ministry and two years of full time evangelism in the Free Methodist Church of North America.

Rev. James H. Eldridge, church pastor, has extended an invitation to the public to attend the services.

Venice Ends Year with \$145,000 Budget Balance

The city of Venice ended its 1966-67 fiscal year April 30 with appropriation and budget balances totaling \$145,000 in its operating accounts, according to a report compiled by Comptroller Carl Byrnes.

Total balance at the end of the fiscal year was \$365,901, but this included a balance of \$450,000 in the McKinley Bridge revenue fund, the same amount that was appropriated at the beginning of the year. The bridge fund figure is being included in each annual appropriation bill so that the money may be spent whenever work gets under way on the Broadway underpass.

Because of the \$420,000 item, although no part of it was used during the fiscal year, the total Venice appropriation for the 1966-67 year was \$897,524, of which \$477,524 was for operating accounts.

Expenses incurred against this amount of the appropriation totaled \$331,622, leaving the \$145,900 budget balance.

City Cut Spending
The sizeable balance results primarily from an economy program initiated by city officials last summer after tax rates extended for the 1965 tax year, collectible in 1966, were reduced by the county clerk's office through new court application of the Hodge-Butler rate limitation laws.

When the Venice city council adopted its appropriation and budget last June, it included a series of salary raises and other expenditures based on anticipated tax income produced by regular, previous rates. After the rates were reduced, however, city officials canceled the

raises and cut other spending to a minimum.

In the street and alley fund, for example, the council originally appropriated \$48,070 for salaries and \$34,692 for supplies. Expenditures for the year, however, amounted to \$25,627 in salaries, leaving a budget balance of \$22,443, and \$22,688 in supplies, leaving a \$22,682 balance.

For the police department, the council budgeted \$102,530 in salaries for the 1966-67 year. Expenditures against this budget figure were \$93,580. A total of \$13,950 was budgeted for police department supplies; \$5735 of the amount was spent.

City Officials Spend \$25,665.
Salaries for city officials in the amount of \$25,665 were spent against an appropriation of \$27,040.

The fire department appropriation for salaries was fixed at \$28,208. Expenditures were \$24,000, leaving a \$4,207 budget balance. Salary appropriation for garbage collection was \$34,030, with expenditures amounting to \$28,057.

An \$18,380 balance was left in the appropriation of the police pension fund. The appropriation amounted to \$40,550, with expenditures totaling \$22,170 and the city receiving \$5626 in reimbursements.

City officials are expected to begin work on the 1967-68 appropriation within the next two weeks. Mayor John E. Lee said the new appropriation and budget will be approved during June.

Venice Library Ends Year With \$19,982

The Venice public library received \$18,927 in tax income during the 1966-67 fiscal year of the city of Venice, paid salaries and expenses totaling \$18,531 and ended the year on April 30 with a balance of \$19,982, according to a report filed with the city clerk's office.

Expenditures included \$11,597 in salaries and \$6954 in supplies and services. Salaries included \$3900 for the librarian, \$2700 for assistant librarian, \$1200 for the secretary and treasurer, \$2100 for janitor and \$1697 for extra help.

The library fund had a balance of \$19,587 at the beginning of the fiscal year which, with \$18,927 in tax income, gave the library total available operating funds of \$38,514 for the year.

What goes up doesn't always come down.

HOME PRICES HAVE ALWAYS GONE UP... NEVER TO COME DOWN.
BUY NOW AND ENJOY YOUR OWN PERSONAL GAIN IN HOME VALUE.

Home prices are creeping up right now as they always have... even faster! Best estimates show that today's \$20,000 home will sell for \$23,000 in 1969.

And, home prices may never come down again.

The ever-upward movement of home prices is to your advantage... unless you're waiting to buy. When you own your own home, an increasing value is your personal gain. The better your home, the bigger your gain.

But, while you're waiting an increased home price will have to come out of your pocket later when you do buy.

It's a good day for buying a home... especially because prices should go down so significantly during the next three years. Begin looking now, check the facts, and we think you'll happily buy a home.

it's a good day for buying a home

Tight money? There's enough to go around. Let your realtor or builder get your mortgage for you.

"IT'S A GOOD TIME FOR BUYING A HOME"

Tight money? But you can still buy a home.

Even if you don't have a rich Aunt Maude. If you're putting off buying a home because it's not as easy as it used to be, get a mortgage, don't give up now. See your Realtor's. He's resourceful. With his contacts and knowledge of the market, he may be able to suggest ways to finance the home you want. For example, by arranging for a mortgage. Or he may know a source that would be interested in lending you mortgage money. A Realtor can be worth his weight in gold to you. He is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local and state boards and of the National Association of Real Estate Boards. So if you're not lucky enough to have a rich aunt, look for this seal. It identifies the person to see — a Realtor.

Card of Thanks 32

I would like to express my appreciation to my friends, relatives and neighbors for their many thoughtful remembrances during my recent hospital stay. The many cards, letters and visits meant very much to me during this time. I especially want to thank Dr. Otto Bauer, Sr., and Sisters of St. Elizabeth Hospital, hospital aides and the hospital staff in general for their kindness, thoughtfulness and concern. Special thanks to my friends and co-workers at Granite City Steel. But most of all I want to thank all my Christian friends who prayed for me. "And all things, whatsoever ye shall ask in prayer, believing, ye shall receive." Matthew 21:22.

In Memoriam 33

In memory of our dear son and brother ROBERT (BOB) MOUSE, who lost his life four years ago May 13, 1963. A precious one from us is gone, and we feel the loss of a true friend. A vacant in our home which never can be filled. No one knows our sad heartaches, we who last can only tell of the tears and grief we hear is silence. For the one we loved so well and who lost his life four years ago. Until we can say goodnight here, and good morning up there.
So sadly missed by all—
DAD, MOM,
SISTERS & BROTHERS

Mecca Rejects By-Law Changes

The Metro-East Chambers of Commerce Association rejected in its regular monthly meeting Monday night a four-point proposal for revision of Mecca by-laws.

The action followed a discussion of the four points in which a majority of members felt the changes were inadvisable or are not needed.

First of the proposed changes provided for increasing Mecca membership by 14 persons, two from each of the seven member Chambers of Commerce, with one where possible, being the immediate past president of the chamber.

The group also heard a discussion of the president annually in November by the 21 Chamber members, with the executive managers not participating in the vote; rescinding a rule prohibiting the news media from using information available from a regular media without permission of the person being quoted, and that the organization be empowered to act where two or more members request action, but excluding any chambers asking to be not represented.

The meeting was held in the Stadium Club at East St. Louis. Mecca includes C. of C. groups of the Quad-Cities, Alton, Edwardsville, Collinsville, Wood River, East St. Louis and Belleville.

Mayor Partney Reports on Ups and Downs of Second Year in Office

Mayor Partney, who this month started his third year in office, reviewed the past year—May 3, 1966, through May 3, 1967—as “a period of accomplishments in our program to revitalize, modernize and beautify Granite City.”

In his annual report, presented Tuesday at his office in the city hall, the mayor stated: “I have characterized the past year as a hard year of accomplishments, because it shows what can be achieved by a vigorous and concerted attack on the many problems facing our city.”

“In almost every field of endeavor,” the mayor continued, “we were able to bring about improvements with the aid of the aldermen and the great help and aid of the citizen commissions and committees for which I am most grateful.”

“Recognizing that the first day of May 1967 was the halfway point in my administration, I feel that we have had many accomplishments and many setbacks.”

“The obstacles we face are enormous in city government. ‘Every city in America is a battleground’—a battleground where the struggle for the survival of our society is fought day after day,” the mayor said.

The happenings and accomplishments listed by the mayor for the past year were outlined by departments as follows:

Police Department—Appointments of a new chief of police.

Addition of a second secretary to relieve another man for out-of-duty.

Purchase of five new patrol cars.

Enrollment of eight men in schools for general police work, and the honoring of two men for outstanding work beyond the call of duty.

Traffic—There was quite a setback in the traffic division this year. The council would not authorize a traffic engineer nor would they follow any engineering that had been planned by the former engineer.

“Installed were school crossing lights at Nameoki school and St. Elizabeth's school and all crosswalks were painted.”

“The method of arrest tickets was changed by filing under the city code instead of the state code—a gain of \$15,000 to the city.”

Fire Department—All downtown buildings were inspected for fire hazards.

“The new aerial fire truck was received without cost of tax monies, since it was bought by fund-raising from Granite City Steel Co.”

Clean Up—“The city inspector removed 604 automobiles from streets, lots and backyards.”

“The building inspector razed 46 old buildings.”

“The street department picked up accumulated junk and con-

tinued to keep alleys and streets cleaned up.”

Sanitary—“The city now has one of the finest landfills in the state. But we lost one of the greatest things that has ever happened to our city when the people voted down the sewer bond issue, with the possibility of losing our federal grant of one and one-half million dollars.”

Housing—“Finished construction of 100 homes for low-income families.”

Annexation—“Annexed 15.2 acres to our city.”

Planning—“Entered into contract with city planners to plan for urban renewal.”

Medical—“Worked with ‘citizen's group’ of the southern section of the state to help locate Medical School at Southern Illinois University-Southwestern campus.”

“Our budget was entirely too much this year due to the special improvements that were included by the city council.”

“The extra monies were taken from our surplus funds such as sales tax and parking meter funds.”

“The budget was \$2,064,401 and the city spent \$10,965 for special improvements.”

“The city collected \$916,485 in tax monies.”

Street Department—“Partial completion of Nameoki road.”

“Finished Maryville road from Pontoon road north.”

“Finished McCambridge avenue.”

“Replaced 31,680 lineal feet of sidewalks.”

“Installed 4810 lineal feet of curb and gutters.”

“Graded and rocked 69 blocks of alleys.”

“Trimmed 445 trees.”

“Removed 232 trees.”

“Purchased grinder for tree limbs.”

“Purchased two new trucks.”

Beauty—“The park board is doing a wonderful job in our parks. We are fortunate for our school system and the many fine buildings for our students, our beautiful church buildings and the fine way they are doing.”

SIU Honors Day Set Tuesday at Carbondale

High ranking students and winners of special awards and scholarships will be honored at Southern Illinois University's annual Honors Day ceremonies Tuesday at Carbondale.

Freshmen and sophomores with overall grade point averages of 4.5 or better, and juniors and seniors with 4.35 averages during their years in school, will be recognized. A 5 point average is the same as straight A.

Speaker for the event, at 7:30 p.m. in the SIU Arena, will be Robert Gold, assistant professor of history. His topic will be “The Academic Abyss.”

War II GI Home Buying Deadline is July 26th

World War II veterans who have not used their eligibility to buy a home under the VA program are being urged to do so as soon as possible by Ralph Morris, president of the Granite City Board of Realtors.

Morris noted that July 26 this year is the deadline for world war II veterans to take advantage of purchase provisions with no down payment and with VA-guaranteed financing.

He said that now is a good time for veterans and non-veterans alike to buy a home, pointing out that the National Association of Real Estate Boards, with which the Granite City Board is affiliated, has received reports from all parts of the country indicating an easing of the mortgage money situation as it was last year.

While interest rates are declining slightly from their record high of last year, Morris said, it
